WE-SIDE Poem

Life is a journey, it's one heck of a ride,
A great way to live life is to follow We-Side.
It's about care, empathy, and being kind,
Feeling warmth in your heart is what you will find.
Whether folks are hanging out, or eating some food,
It's always great to find others to include.
We all go through stress, we all have highs and lows,
Going through life as friends is way better than as foes.
Making someone feel better will make you feel great,
Love and kindness can overcome all types of hate.
So when we go through our day to day, let's practice We-Side,
If we do this consistently, our hearts will be filled with pride.
