

Loveland School

Loveland Community Club Information Guide

What is Loveland Community Club?

In Westside, we refer to our PTO as Community Clubs. The Loveland Community Club is open to ALL families of Loveland students and those who wish to support our school. We encourage all families to consider attending the monthly meetings, signing up for committees, and sharing their time, talents, or support to help make Loveland the best school for our kids.

Loveland Committees and Events:

Loveland is an awesome school with fantastic families, students, and staff. The Loveland Community Club sponsors fundraisers and fun events throughout each school year. These events require planning, creativity, and preparation from all. Each year the Community Club asks for volunteers for both committee and committee chairs. Please look for more information at Sneak-A-Peek on August 11th from 5:30PM to 6:30PM.

Funds

The Community Club supports many important events and traditions throughout each school year. Our biggest events include the Loveland Launch fundraiser, and the Loveland Ice Cream Social. The Community Club provides yearly checks to teachers for their classrooms supplies and needs. We celebrate the Loveland staff during a fun week of staff appreciation. The annual Loveland Launch fundraiser is our main fundraising events.
