

# Westside Parent's Community Club!

We would like to welcome you to the Westside Parent's Community Club! All parents and guardians of WHS students are automatically WHS Parent's Community Club members. The Community Club's primary mission is the support of our faculty and staff by providing meals throughout the year at various events. We also have quarterly meetings where we offer our members a chance to meet other parents and members of the High School and District Offices to hear about current news affecting our students.
