SITE LOGISTICS

Overall Site Plan

- **Student Parking and Drop-Off:** No change
- **Staff Parking:** Relocate from North lot to new parking by Life Complex.
- **School Entrance:** No change. Front doors remain open. Emergency exit from North cafeteria door remain open.
- **Safety Fence and Gate:** Fencing installed around contractor parking with secured gates to protect students and staff.
- **Equipment and Material Deliveries:** Deliveries coordinated around school start and end. During the day, due to open campus, contractors will have safety flaggers for material and equipment sidewalk crossing between the parking and construction.
- **Contractor Entrance:**
 - **Cafeteria:** Contractors enter the cafeteria through North doors.
 - **Locker Rooms:** Contractors enter through Sports Mall entrance
