Definitions:

- **Option School District:** A public school district that the student chooses to attend other than his or her resident school district.
- **Option Student:** A student that has chosen to attend an Option School District, including an open enrollment option student or a student who resides in a Learning Community and began attendance as an Option Student in an Option School District in such Learning Community prior to the end of the first full school year for which the Option School District will be a member of such Learning Community, but, for school years prior to school year 2016-17, but not including a student who resides in a Learning Community and who attends pursuant to section 79-2110 another school district in such Learning Community.
- **Resident School District:** The public school district in which a student resides or attends as a resident student.

DIRECTIONS FOR COMPLETING SECTION 1:

- The parent or legal guardian should complete this section. The student may complete this section if he or she is an emancipated minor or age 19 or older.
- A separate application form is required for each applicant.
- Learning Community open enrollment students for any part of the 2016/17 school year would be automatically approved as open enrollment option students and can continue in the same school without submitting an additional application unless the student has completed the grades offered in the school or is disqualified due to an expulsion.
- Indicate in the appropriate spaces:
 - If the student needs Special Education services and has an Individualized Education Program (IEP).
 - If the student has a sibling that is a current Option Student.
 - If the student has attended the Option District for the immediately preceding two years.

- The application must be signed and delivered to the office of the Superintendent of the Option School District.

DIRECTIONS FOR COMPLETING SECTION 2:

- Section 2 is ONLY completed by the Resident District if application is submitted after the March 15th deadline.
 - If the student is currently in an option and seeking a new option, the Option District will complete Section 2.
 - If the Resident (or Option if applicable) School District does not waive the deadline date, the reason for denial must be stated.
-

DIRECTIONS FOR COMPLETING SECTION 3:

- If the Option School District approves the application, the appropriate space on the application needs marked.
 - Submission of an incomplete form is not an adequate reason to deny an application. The Option School District officials should secure a complete form prior to the March 15th deadline.
 - If the Option School District denies the application, the reason for denial must be stated in the appropriate space.
 - Whether approved or denied, photocopies of any application received by the March 15th deadline must be sent by April 1st to the Applicant and the Resident School District.
 - **NOTE:** Unless the student relocated to a different district after February 1st, had a previous Option District merge after February 1st, or became eligible for the option as a result of changes made to 79-234(1) R.R.S. by LB 410 (2013), applications submitted after the March 15th deadline must have Section 2 completed and contain the signature of the Superintendent and the date of such action. The application should also be sent to the Applicant and the Resident School District.
-

DIRECTIONS FOR COMPLETING THE CHANGE OF STATUS SECTION:

- When an Option Student moves out of the Resident School District, completes grades offered in the Option School District, becomes a resident of the affiliated high school district, or ceases to attend the Option School District for other reasons, the Option School District should complete the Change of Status section and send photocopies to the Applicant and the Resident School District.
 - When the parents or legal guardians seek to withdraw an application or cancel an approved Enrollment Option transfer, they should notify the Option District official who will then complete the Change of Status, or the parent or legal guardian may complete the Change of Status and affix their own signature. In either case, copies must be provided to the Option and Resident Districts.
-
