

## **Student Regulations:**

### **Grades**

All grades will be in Power School. Parents and students will be able to access their personal accounts after receiving their passwords on [Wednesday, June 2<sup>nd</sup>](#). Final grades will be mailed on or about [July 8](#) but parents and students can go online by [July 6<sup>th</sup>](#) to see final grades. Grades for students from other districts will be sent automatically as per the directions given on the summer school registration form.

### **Attendance**

Due to the concentrated summer program, student attendance is critical. Students may not have more than THREE absences - unexcused or excused. If a FOURTH absence occurs, the student will be dropped from the class.

After the first and second unexcused absences, the parent will be notified by the teacher. Once a student reaches three absences, the teacher will notify the Summer School Administrator who will then call the parents to forewarn them that the student will be dropped from summer school upon a fourth absence. If this occurs, no credit or refund will be given. Refusal to do work during class may also result in an unexcused absence.

**Tardiness** -- 3 Tardies = 1 unexcused. Students are expected to be in class on time. For each three tardies, one unexcused absence will result. Students more than 10 minutes late to a class will be counted unexcused.

Students dropped from a class will receive a failing (F) grade that will be recorded on their transcript.

### **Student Conduct**

Students attending summer school are expected to be responsible learners and citizens. However, those instances of irresponsibility that will warrant immediate withdrawal from summer school with no credit or refund are:

- Possession of, selling of, or use of alcoholic liquor, drugs, and/or narcotics
- Fighting
- Gambling
- Destruction of school property
- Gross disrespect for teachers, school officials, or other employees
- Knowingly possessing or handling a weapon
- Willfully damaging property of others, stealing or attempting either
- Disregard for summer school policies
- Using violence or threats
- Behavior that seriously interferes with class work
