- Old Business
 - Fun run was a success
 - A suggestion for next year is to block off street corners with police and run around the neighborhood.
 - Might need 60 day notice for closing down streets. That is something to consider and plan ahead for next year.
- New Business
 - Pop - Day of Awesomeness
 - Scheduled for Monday May 17th but it is calling for 30% chance of rain.
 - Need to determine and schedule a rain date. Prefer Thursday the 20th.
 - Need to know by mid-day Friday the 14th if it will be rescheduled.
 - Jessica and Amanda to coordinate with Hathy with options.
 - The only thing we need to provide for the day of awesomeness is the volunteers
 - Movie day / Pizza Party is planned for Wednesday May 26th
 - Community Club to provide pizza
 - Pizza Hut through Westside food services. They can provide an invoice

- Need to purchase and drop off 300 Capri Suns

 - Russ Olson to work with a concrete company and get a quote.
 - Possible that the district pays for it, then they get reimbursed with our different funding and business partner donations
 - Confident we can get the basketball court installed this summer
- 6th Grade party
 - \$400 from the CC
- Library books
 - Approve \$300 for the non-fiction books requested
