Student Dress Code

Students in the Westside Community Schools are expected to dress in a way that is appropriate for the school setting. Students should not dress in a manner that is dangerous to the health and safety of anyone or interferes with the learning environment or teaching process in our school. Following is a list of examples of attire that will not be considered appropriate; this list is not exclusive, and other forms of attire may be deemed by the Principal to be inappropriate for the school setting:

- 1. Clothing that shows an inappropriate amount of bare skin or underwear (midriffs, spaghetti straps, sagging pants) or clothing that is too tight, revealing or baggy, or tops and bottoms that do not overlap or any material that is sheer or lightweight enough to be seen through, or otherwise of an appropriate size and fit so as to be revealing or drag on the ground;**
- 2. Shorts, skirts, etc. that do not extend downward as far as the student's fingertips when the student is standing fully upright with arms relaxed at his or her side.**
- 3. Sleepwear and slippers, including pajama bottoms, blankets, and costumes, unless part of a school-sponsored activity;**
- 4. Clothing or jewelry that advertises or promotes beer, alcohol, tobacco, or illegal drugs;**
- 5. Clothing or jewelry that could be used as a weapon (chains, spiked apparel) or that would encourage "horse-play" or that would damage property (e.g. cleats);**
- 6. Head wear including hats, caps, bandannas, hoods worn over the head, and scarves;**
- 7. Clothing or jewelry which exhibits nudity, profanity, makes sexual references, or carries lewd, indecent, or vulgar double meaning;**
- 8. Clothing or jewelry that is gang related.**
- 9. Heavy coats and jackets.**

Consideration will be made for students who wear special clothing as required by religious beliefs, disability, or to convey a particularized message protected by law. The final decision regarding attire and grooming will be made by the Principal. In the event a student is uncertain as to whether a particular item or method of grooming is consistent with the school's guidelines, the student or student's parent/guardian should contact the Principal for approval. If it is determined the student does not meet dress code, the student will be asked to change.

Coaches, sponsors or teachers may have additional requirements for students who are in special lab classes, students who are participants in performing groups or students who are representing the school as part of an extracurricular activity program.

Violations of the dress code will expose the student to disciplinary action under the Student Code of Conduct.
