BASEBALL

SOFTBALL

WWAA's goal is to provide an enjoyable experience where players learn sportsmanship, teamwork, fair play and develop their baseball and softball skills. Our home games are played on the fields that are conveniently located just south of I-80 near 84th Street. (You can see them from I-80).

WWAA is a 100% volunteer organization and to be successful we need volunteers. To support the league and players, each family is required to provide a minimum of 4 hours of volunteer service over the course of the season. A \$150 volunteer deposit is required at the time of registration (in the form of a pending payment on the account you pay with). Once your volunteer requirement is fulfilled in its entirety, the 4-hour volunteer deposit (pending payment) will be cancelled at the end of the season. If you can't volunteer, the volunteer fee can be paid at the time of registration or at the end of the season. We have lots of opportunities to volunteer including open board positions.
