I am wonderful  
I wonder why people be mean  
I hear kindness

I see smartness  
I want people to be kind  
I am smart  
I pretend people will be nice  
I feel kind  
I touch joy  
I worry if people fight  
I cry justice  
I am kind  
I understand To listen to my teacher  
I say kind thoughts  
I dream for people to be kind  
I try understand  
I hope that people get along  
I am a baseball player.
