Your friend may  
Be weak, and you may be  
Strong. But with all  
The power, it still is  
Wrong.

My life shall be good  
With all things in life,  
Make it feel better  
With all your precise.

Color or not. You may,  
May be good, may be bad.  
Please do not, that  
Would be sad.

See yourself covered  
In guilt. You have  
Been rebuilt.
