

Together we are magical

We are all different, yes we are.

Is that scary, no it's not.

Is that a bad thing, no it's not.

We are different, yes we are.

Is that wonderful, yes it is.

Is that magical, yes it is.

We are different, yes we are

Together we are strong, yes we are.

Together we are magical, yes we are.

We are Westside, yes we are.
