

African Americans like zendaya 🌟🌟🌟🌟

By:

*I am zendaya
I wonder if people are like me
I hear a crowd clapping for me
I see a crowd
I want people to like African Americans
I am a African American 🌟🌟
I pretend to be normal
I feel a boy dancing with me
I touch the bars for an act
I worry that I might fall
I cry that I might fall
I am embarrassed
I understand if people don't like me
I say "hello"
I dream I was normal
I try to be normal
I hope my kids will be treated good
I AM ZENDAYA*
